If your total wealth is < 3000 your retirement is still a mirage.
Next time will be better!

TOTAL WEALTH FROM 3000 TO 3500
You have squandered half of your fortune on cosmetic surgery in order to keep your coveted appearance unchanged, but your bank account still doesn't go bust.

TOTAL WEALTH FROM 3501 TO 4000
In order to make people talk about you, you funded the "Be Eco-Wonderful" project to make innovative prosthetics from recycled plastic and eco-friendly fillers, as you are a supporter of "natural" beauty.

TOTAL WEALTH MORE THAN 4000
You have founded a luxury hotels chain based in Dubai. Time magazine included you on the list of 100 most influential people.

If your total wealth is < 3000 your retirement is still a mirage.
Next time will be better!

TOTAL WEALTH FROM 3000 TO 3500
You've reached retirement, but the Tesla Cyber Truck remains a dream, on the other hand your best friend has come to visit you and brought you an autograph from Elon Musk.

TOTAL WEALTH FROM 3501 TO 4000
You reached retirement, finally you saved up some money and after so many years you bought the Tesla you wanted. It's second-hand, but it's still a Tesla.

TOTAL WEALTH MORE THAN 4000
You've reached retirement with a working career in Korea that allowed you to give your parents the Tesla Cyber Truck.

If your total wealth is < 3000 your retirement is still a mirage.
Next time will be better!

TOTAL WEALTH FROM 3000 TO 3500
You were a high school Latin teacher and the only award you won was for math when you were 5 years old. Now you play chess with your wife.

TOTAL WEALTH FROM 3501 TO 4000
After graduation you became a distinguished college math teacher, providing private Latin lessons. Now you enjoy giving chess lessons to your grandchildren winning every time.

TOTAL WEALTH MORE THAN 4000
You've come a long way, during your long career you have won several awards such as the Field Medal and the World Chess Cup.

If your total wealth is < 3000 your retirement is still a mirage.
Next time will be better!

TOTAL WEALTH FROM 3000 TO 3500
Your plans were only plans and you understood that game development is too hard, so you earn money from selling your drawings (courses weren't useless after all).

TOTAL WEALTH FROM 3501 TO 4000
You achieved your goal - you moved to Japan, working in a well known videogames company. Your neighboors still look at you as a freak girl but they love you.

TOTAL WEALTH MORE THAN 4000
You are in Japan, the country of your dreams, and you have created your own videogame. Congrats! That's what you have been aiming to for a long time. You have already gathered a little team, they all are nice guys with big plans just as you were.

If your total wealth is < 3000 your retirement is still a mirage.
Next time will be better!

TOTAL WEALTH FROM 3000 TO 3500
You took over your parents' farm. You often read pieces from Molière to cows at milking time. You are happy to have pursued your parents' dream.

TOTAL WEALTH FROM 3501 TO 4000
You enrolled the school of theatre in Bordeaux. You were selected for playing in a small company, but never really broke through. You are happy to have followed your dream.

TOTAL WEALTH MORE THAN 4000
You managed to be an extra in a blockbuster. With your new relationships, you created a theater festival on the farm that is a great success every year.

If your total wealth is < 3000 your retirement is still a mirage.
Next time will be better!

TOTAL WEALTH FROM 3000 TO 3500
You stopped studying at the age of 20. You quickly squandered your parents' legacy and worked as a receptionist in a small, mundane hotel that belonged to you.

TOTAL WEALTH FROM 3501 TO 4000
You graduated in political science and were elected Mayor of your city. Your glory is to have invited a reality TV star every year to the Christmas of the elders.

TOTAL WEALTH MORE THAN 4000
You became a billionaire by hitting the cosmetic market. Your company matches the customers nail polish colour to the one of their car. Elon Musk was one of the investor in the start up phase.

If your total wealth is < 3000 your retirement is still a mirage.
Next time will be better!

TOTAL WEALTH FROM 3000 TO 3500
You spent your work-life sewing and knitting in a factory. You retired with a small pension although you opened a popular knitting club in your neighborhood.

TOTAL WEALTH FROM 3501 TO 4000
You stayed in your hometown and opened a business based on your tailoring education from the nearby university. Now it's time to pass the business to your children.

TOTAL WEALTH MORE THAN 4000
You travelled to China and learned from the best tailoring artists. You are a famous fashion designer now and you train others.

If your total wealth is < 3000 your retirement is still a mirage.
Next time will be better!

TOTAL WEALTH FROM 3000 TO 3500
Until your retirement you didn't manage to get a friend group or a better social life but you work on a nice position.

TOTAL WEALTH FROM 3501 TO 4000
You had a well-paid job and you a have a loving family and few best friends. You enjoy your life even though you are still not "cool".

TOTAL WEALTH MORE THAN 4000
You are the CEO of a global company. You achieve success not only in your career but also in private life. People love you.

If your total wealth is < 3000 your retirement is still a mirage.
Next time will be better!

TOTAL WEALTH FROM 3000 TO 3500
You didn't have enough money for research so you ended up as a chemist for your friends at parties. You got serious injuries because of your job as stuntman.

TOTAL WEALTH FROM 3501 TO 4000
You invented a new plant in your garden, but it was not such a big event. You ended up teaching teens who appear to be great in the future.

TOTAL WEALTH MORE THAN 4000
You achieved your goal and you are a well known chemist who invented a new element... Smartus! Of course you got the Nobel Prize for that.
