

Collegio Carlo Alberto

Master in Economics

2022-2023

Collegio
Carlo Alberto
Education

MEcon

The Master in Economics at Collegio Carlo Alberto endows its students with advanced training in modern economic theory and methods. Courses are taught in English by our faculty recruited from top schools on the international academic job market. In addition to their coursework, master's students interact with the faculty, fellows, and researchers of the Collegio. They have access to the Collegio's facilities and scientific activities, such as seminars, lectures, and doctoral courses.

June 15, 2022

PLACEMENT

We are proud of maintaining an excellent placement record for our graduates. Previous graduates either enrolled in some of the best European and American PhD programs, or hold prominent positions in a wide variety of Italian and international organizations.

ADMISSIONS

Applicants for the Master program in Economics must be university graduates (four- or five- year degree). Undergraduates in their last year of studies will also be considered. Annual tuition and fees for the Master program amount to € 8,000. Candidates may apply for tuition fee waivers. Applicants are selected based on their CV and on a letter of recommendation.
