## Master in Economics

### 2024-2025

Collegio  
Carlo Alberto  
Education

**MEcon**

The Master in Economics at Collegio Carlo Alberto endows its students with advanced training in modern economic theory and methods. Courses are taught in English by our faculty recruited from top schools on the international academic job market. In addition to their coursework, master's students interact with the faculty, fellows, and researchers of the Collegio. They have access to the Collegio's facilities and scientific activities, such as seminars, lectures, and doctoral courses.
