INTERNATIONAL POLICY WORKSHOP

SOCIAL AND SOLIDARITY ECONOMY

Version 2
01 2024

INTERNATIONAL POLICY WORKSHOP

The meeting aims to illustrate the evolution of Social and Solidarity Economy, addressing the development of territorial networks, conceiving the third sector as crucial driver for local development and the transitional regulatory frameworks by a comparative perspective. The international workshop will be hosted as part of the second Steering Committee of the 3P4SSE project, which will be held in Turin. The policy workshop has been organised in collaboration with Collegio Carlo Alberto.
